

REMARKS

Claims 1, 2, 4-6, 8-17, 19-57 and 70-82 are allowed.

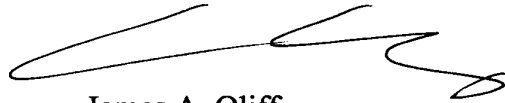

By this Amendment, claims 33-44 are amended to obviate informalities. In particular, claims 33-44 are amended to change "projector" to "illumination system," so as to be constant with claim 2, from which claims 33-44 depend. Claims 70-82 are canceled.

The above-outlined claim amendments do not affect the patentability of claims 1, 2, 4-6, 8-17 and 19-57. Thus, claims 1, 2, 4-6, 8-17 and 19-57 remain in allowable condition. Applicant respectfully requests entry of the above amendments to the claims under 35 C.F.R. §1.312.

Entry of these claim amendments is needed for proper disclosure and protection of the invention. No substantial amount of additional work is required on the part of the Office because none of the amendments affect patentability of claims 1, 2, 4-6, 8-17 and 19-57. Accordingly, entry of the claim amendments is proper.

In view of the foregoing, it is respectfully submitted that this application remains in condition for allowance. Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
